- carcinoma of the cervix; obstruction of the distal abdominal aorta by metastatic carcinoma of the (Case Report) 136
- carcinoma
  - gall-bladder; experience and literature review 724
  - papillary thyroid; incidence and management of, in thyroglossal duct cysts 717
  - prostate, percutaneous iodine-125 seed implantation for 658
  - squamous cell, in oesophageal cancer 11
  - stomach; synchronous liver metastases and 719
  - synchronous contralateral adrenal metastasis from renal cell (Case Report) 540
- carcinoma of the ureter presenting as biliary colic (Case Report) 63
- cardiac risk; abdominal aortic surgery in patients at 417
- cardiopulmonary bypass; heparin-rebound in 331
- carotid arterial surgery; vascular surgery for (CME) 205
- carotid artery; mycotic aneurysm of (Case Report) 620
- carotid endarterectomy
  - asymptomatic carotid artery and 160
  - cost of elective treatment 475
  - retrospective review of 480
  - options and outcomes (Personal View) 151
- carpal tunnel syndrome; nerve injury and wrist crease incision in (Comment) 359
- catheter
  - double lumen suprapubic urodynamic type (Surg. Technique) 672
  - risk factors in central venous thrombosis related to 796
- cellulitis; caused by *Aeromonas hydrophilia* (Case Report) 367
- cerumenal adenocarcinoma (Case Report) 454
- charcoal treatment; resulting in small bowel obstruction (Case Report) 288
- chemoradiation; for rectal carcinoma 732
- chemotherapy
  - for colorectal liver metastases (Review) 383
  - induction (neo-adjuvant); systemic and arterial delivery techniques and their clinical applications (Pers. View) 699
  - surgery for breast cancer following 229
- China; breast cancer in 634
- cholecystectomy; for the management of gallstones in aged patients 312
- cholecystitis; acute type involving double gall-bladder (Case Report) 219
- choledochoplasty; treatment for cholecystocholedochal fistula (Case Report) 285
- choledochotomy; laparoscopic common bile duct exploration via (Surg. Technique) 347
- circumcision; treatment for childhood phimosis (Comment) 57 (*Aust. N.Z. J. Surg.* 1994; 64, 327; Corrig.) 698
- clavicle; excision of 262
- clinical practice; not applied scientific method (Pers. View) 553
- clinical skills
  - RACS view on OSCA (Editorial) 299
  - understanding the OSCA 302
- clinical trials; the Cochrane Collaboration and the reporting of (Editorial) 461
- Cochrane Collaboration; reporting of clinical trials and the (Editorial) 461
- colectomy; treatment for phlegmonous enterocolitis (Case Report) 763
- colic; carcinosarcoma of the ureter presenting as (Case Report) 63
- colon
  - cancer
    - endocrine cells of transitional mucosa adjacent to 334
    - colonoscopy vs flexible sigmoidoscopy 44
    - resection and anastomosis of 728
  - extraperitonealization for sigmoid volvulus 496
  - retroperitoneal malignant fibrous histiocytoma of (Case Report) 68
- colonoscopy, vs flexible sigmoidoscopy; cost efficiency of 44
- colorectal
  - cancer
    - effect of transfusion on patient survival following resection of 592
    - effect of other diseases on 398
    - hepatic artery chemotherapy for (Review) 383
    - surgery; ureteric ischaemia following (Case Report) 137
  - complications of Caldwell-Luc operation 582
- computer assisted learning; acceptance of by medical students (Surg. Education) 610
- computerized tomography for assessment of blunt abdominal trauma (Pers. View) 75
- congenital talipes equinovarus; limb length discrepancy in 409
- congenital urethral obstruction; renal allograft survival in 27
- Conn's syndrome; laparoscopic left adrenalectomy performed in (Case Report) 619

constipation; symptom of obstructed defecation, the pathophysiology and management of 87  
 continuing medical education 1, 51, 205, 525, 674, 822  
 contraception; chest wall actinomycosis and the use of intra-uterine device (Case Report) 141  
 contraindications for ileal pouch-anal anastomosis 104  
 coronary artery bypass graft in older patient group 177  
*Corynebacterium*; struvite renal calculi caused by (Case Report) 294  
 cost  
   colonoscopy vs flexible sigmoidoscopy 44  
   elective carotid endarterectomy 475  
   treatment of breast cancer 485  
 Crohn's disease  
   colon and rectal department experience 570  
   incidence and recurrence of in Australia 564  
   management of fissure *in ano* by anal dilatation 107

## D

decortication; performed with bush thoracotomy 182  
 defecation; obstructed, pathophysiology and management of 87  
 dermatofibrosarcoma protuberans; in a renal transplant patient (Case Report) 900  
 devascularization; splenectomy and, for gastric varices 804  
 diabetes; healing of ulcers in 173  
 digestive surgery venous allografts and 579  
 dislocation of the dorsal transscaphoid perilunate through an isolated scaphoid non-union (Case Report) 60  
 diverticular disease; Hartmann's operation for the management of 98, (Corrig.) 550  
 doppler/ultrasound examination; for varicose veins in a provincial hospital 787  
 drainage, in treatment of psoas abscess (Comment) 135  
 drug abuse; prevalence in motor vehicle trauma in south western Sydney of 853  
 Duhamel procedure using the ENDO GIA stapler in the neonate (Surg. Technique) 120  
 duodenal stump; duodenostomy for (Surg. Technique) 345  
 duodenojejunal flexure; end-to-end anastomosis at (Surg. Technique) 884  
 duodenostomy; for duodenal stump (Surg. Technique) 345  
 duodenum; management following endoscopic sphincterotomy (Comment) 284  
 duplex ultrasound; assessment of venous status in swollen leg 784  
 dysphagia; in oesophageal cancer 11

## E

ear  
   adenocarcinoma of the (Case Report) 454  
   single stage excision of preauricular sinus 254  
 education  
   computer assisted learning (Surg. Education) 610  
   divisions in surgery (Pers. View) 463  
   formal teaching of basic surgical skills (Surg. Education) 607  
   home-made videoscopic trainer for operative laparoscopic surgery (Surg. Technique) 820  
   objective structured clinical assessment 299, 302  
   recent changes in urological tumours (CME) 350, (Corrig.) 626  
   report of urological training (Surg. Education) 273  
   urological training in Australasia (Surg. Education) 278  
 elderly patients *see* aged patients  
 elective carotid endarterectomy; cost of 475  
 embolectomy, femoral; false popliteal aneurysm following (Case Report) 362  
 end sigmoid colostomy; complications of an abdominal stoma 808  
 end-to-end anastomosis; at the duodenojejunal flexure (Surg. Technique) 884  
 endarterectomy (Personal View) 151  
 endocrine cells; adjacent to colonic adenocarcinoma 334  
 endoscopic knot tying (Surg. Technique) 507  
 endoscopic sinus surgery; Caldwell-Luc operation and 582  
 endoscopic sphincterotomy; minimal access surgery (CME) 525  
 endoscopy  
   management of following sphincterotomy (Comment) 284  
   treatment of a giant ileal conduit calculus (Case Report) 456

endothelium; role of cellular adhesion molecules in surgery (Review) 838  
 epithelialization kinetics; an *in vivo* model in human skin (Surg. Research) 600  
 extracorporeal ties (Surg. Technique) 510  
 extraperitonealization; for sigmoid volvulus 496

## F

fallopian tube; Meigs' syndrome in association with a locally invasive adenocarcinoma of (Case Report) 761  
 femoral shortening; congenital talipes equinovarus and 409  
 fetal outcome; pregnancy complicated by acute appendicitis 799  
 fibrosarcoma of the heart (Case Report) 66  
 finasteride  
   effect of, in benign prostatic hyperplasia (Comment) 360  
   effects of treatment in benign prostatic hyperplasia 35  
 fissure-in-ano  
   management by anal dilatation 107  
   results of internal anal sphincterotomy for 576  
 fistula formation; hypospadias and 647  
 fistula; cholecystocholedochal type (Case Report) 285  
 fistula-in-ano; unusual presentation of chronic schistosomiasis (Case Report) 541  
 fistulae presenting as a result of appendicectomy (Case Report) 144  
 flexible sigmoidoscopy; vs colonoscopy, cost efficiency and benefits of 44  
 foot; tissue loss of, in the aged patient 339  
 fracture  
   hand, injuries to the carpometacarpal region 257  
   hook of hamate, non-union of (Case Report) 372  
 Frantz's tumour; papillary and cystic carcinoma of the pancreas 237

## G

gall-bladder  
   carcinoma; experience and literature review 724  
   incidence of acute cholecystitis involving (Case Report) 219  
 gallstone disease; minimal access surgery (CME) 525  
 gallstone surgery in aged patients 312  
 gastrectomy; treatment for gastric carcinoma with synchronous liver metastases 719  
 gastric varices; gastric devascularization and splenectomy for 804  
 gastro-oesophageal reflux; caused during percutaneous endoscopic gastrostomy 194  
 gastrografin study of anastomotic leaks from cervical oesophagogastric anastomosis 8  
 gastrointestinal tract; minimal access surgery of the (CME) 525  
 gastroplasty for morbid obesity 3  
 genes  
   detection of p53 and the recurrence of rectal adenocarcinoma (Surg. Research) 740  
   inactivation of retinoblastoma in malignant parathyroid carcinoma 714  
 genetics; molecular, of thyroid and parathyroid neoplasia (Review) 77  
 George Adlington Syme Oration; the International Year of Tolerance (GASO) 833  
 Glissonian sheath; posterior approach to 316  
 glove perforation; in elective orthopaedic surgery 406  
 gluteal artery pseudoaneurysm; diagnosed as groin strain (Case Report) 451  
 gluteal mass, pulsatile; due to sciatic artery aneurysm (Case Report) 907  
 graft survival in congenital obstruction of the posterior urethra 27  
 granuloma; lobular mastitis (Case Report) 139  
 groin strain; sporting (Case Report) 451  
 gunshot wounds; by muskets and musket balls (Surg. History) 890

## H

haematoma; complication of pectoralis major rupture (Case Report) 694  
 haemobilia; incidence of 185  
 haemorrhage  
   result of laser ablation of anticoagulant treated patients 40

- subarachnoid; nimodipine for the treatment of (Case Report) 693
- haemorrhoidectomy; resulting in anal stricture 101
- hair, growth of; pilonidal sinus (Pers. View) 558
- hair-bearing flap; reconstruction of upper lip with 251
- hamstring, v-y advancement; myocutaneous island flap repair 412
- hand; injuries to the ulnar carpo-metacarpal region 257
- Hartmann's operation 98, (Corrig.) 550
- Hasson, vs Veress; abdominal insufflation for laparoscopy (Editorial) 462
- healing of lower limb ulcers 173
- Helicobacter pylori*; in peptic ulcer disease (Editorial) 377
- heparin thromboprophylaxis, via indwelling subcutaneous teflon cannula 793
- heparin-rebound, following cardiopulmonary bypass 331
- hepatectomy; treatment for adult case of hepatoblastoma (Case Report) 686
- hepatic artery
  - chemotherapy, for colorectal liver metastases (Review) 383
  - trauma during biliary surgery 185
- hepatic injury; risk factors for mortality and morbidity in Tasmania 861
- hepatitis; protection against in surgery (Pers. View) 627
- hepatobiliary disease, due to *Salmonella typhi*, surgical presentation of (Case Report) 898
- hepatoblastoma; adult case report and literature review of (Case Report) 686
- hernia, para-duodenal (Case Report) 64
- hernia uterus inguinale; renal agenesis associated with (Case Report) 688
- hernia
  - repair of
    - inguinal type using laparoscopy 304
    - by laparoscopic surgeons 470
- hip; autologous blood donation in total replacement of 17, (Comment) 449
- Hirschsprung's disease in the neonate treated by the Duhamel procedure (Surg. Technique) 120
- history; Walter Scott (Surg. History) 442
- HIV see human immunodeficiency virus
- hook of hamate fracture; non-union of (Case Report) 372
- human immunodeficiency virus
  - bone allograft banking in South Australia 865
  - protection against in surgery (Pers. View) 627
  - surgery of the abdomen in patients with 320
- hyperbaric oxygen; treatment for cellulitis caused by *Aeromonas hydrophila* (Case Report) 367
- hypercalcaemia; presenting with double parathyroid adenoma (Case Report) 292
- hyperprolactinaemia; lymphocytic hypophysitis and (Case Report) 538
- hypospadias; paediatric surgical practice of 647
- hypothermia and severe trauma 80, 613 (Comment)

I

- ileal conduit
  - complications of an abdominal stoma 808
  - endoscopic treatment of (Case Report) 456
- ileal pouch-anal anastomosis in challenging patients 104
- ileo-anal pouch surgery resulting in psoas abscess (Case Report) 365
- imaging; in diagnosis of psoas abscess (Comment) 135
- immunohistochemistry; detection by, of p53 and the recurrence of rectal adenocarcinoma (Surg. Research) 740
- implants, breast; permanent tissue expanders for 492
- induction chemotherapy; systemic and arterial delivery techniques and their clinical applications (Pers. View) 699
- informed consent in Australia (Pers. View) 224
- infrarenal aortic cross clamp; effect of, on renal function (Surg. Research) 201
- inguinal hernia
  - renal agenesis associated with (Case Report) 688
  - repair; laparoscopy for 304, 470
- inguinal herniorrhaphy; a valid laparoscopic procedure (Comment) 58
- injury complicated by hypothermia 80, (Comment) 613
- injury see trauma

- International Year of Tolerance; its challenge to Australia (GASO) 833
- intestinal obstruction; by para-duodenal hernia (Case Report) 64
- intra-uterine device; chest wall actinomycosis and the use of (Case Report) 141
- island flaps
  - repair, of ischial pressure ulcers 412
  - treatment of malignant melanoma 870

K

- Kaposi's sarcoma; abdominal surgery in HIV/AIDS patients with 320
- kidney transplant see renal transplant
- kidney; osteogenic sarcoma of (Case Report) 622
- knot
  - pusher, for extracorporeal ties (Surg. Techniques) 510
  - tying, endoscopic (Surg. Technique) 507

L

- laparoscopic cholecystectomy
  - chronic sinus formation following (Case Report) 361
  - management of
    - gallstones in aged patients 312
    - post-cholecystectomy haemobilia 185
    - minimal access surgery (CME) 525
    - pain reduction following 466
- laparoscopic choledochotomy; for the management of bile duct calculi (Surg. Technique) 347
- laparoscopic inguinal hernia repair 470
- laparoscopic left adrenalectomy; performed in Conn's syndrome (Case Report) 619
- laparoscopic surgery; home-made videoscopic trainer for (Surg. Technique) 820
- laparoscopic splenectomy (Surg. Technique) 743
- laparoscopy
  - abdominal insufflation by (Editorial) 462
  - bile ducts 189
  - examination of perforated appendicitis (Case Report) 62

- multiple injuries; bone scanning in 390
- muskets; gunshot wounds made by (Surg. History) 890
- mycotic aneurysm; of the extracranial carotid arteries (Case Report) 620
- myocardial perfusion; in elective non-cardiac surgery 780

## N

- neoplasia, multiple endocrine type I; clinical syndrome to molecular genetics (Review) 708
- nephropathy; effect of ureteric stenting on renal allografts 499
- nerve supply to the posterior plane of the rectum 48
- neurology; carotid endarterectomy risks on 480
- neuropathic knee joint; treatment by arthroplasty (Case Report) 370
- neurosurgery; review of surgery cases of brain abscesses 664
- neurotrauma; effect on outcome of a regionalized trauma system 83
- nimodipine; levels in breast milk (Case Report) 693
- nitrogen balance in major abdominal surgery patients, effect of recombinant growth hormone on (Surg. Research) 109

## O

- obesity, morbid
- surgery for (Editorial) 2
  - vertical banded gastropasty for 3
- objective structured clinical assessment (Editorial) 299, 302
- obstructed defecation; pathophysiology and management of 87
- obstruction; of distal abdominal aorta by metastatic carcinoma of the cervix (Case Report) 136
- obturation of the small bowel (Case Report) 902
- occupational health in surgery (Pers. View) 627
- oesophagus
- cancer of 11
  - injury, caused during percutaneous endoscopic gastrostomy 194
  - leaks from cervical anastomosis of 8
- oncocyoma; of the bilateral renal type (Case Report) 216
- organ rejection, of rat renal allograft; a reproducible model of (Surg. Research) 114
- orthopaedics

- changes in practice and knowledge in surgery (CME) 822
  - procedures, arteriovenous fistulae complicating (Case Report) 905
- OSCA *see* objective structured clinical assessment 302
- osteosarcoma; video-assisted thoracoscopic wedge resections of pulmonary metastatic 737
- otalgia; diagnosed as verrucous carcinoma (Case Report) 214
- otorrhoea; diagnosed as verrucous carcinoma (Case Report) 214
- outcome
- effect of other diseases on colorectal cancer patients 398
  - effect of regionalized trauma system on 83
  - general vs regional anaesthesia (CME) 51
  - ileal pouch-anal anastomosis in patients with contraindications 104
  - outpatient surgery; trend in urological procedures undertaken as 31

## P

- paediatrics
- childhood phimosis with topical steroid (Comment) 57
  - laryngotracheal reconstruction in 650
  - management of transected pancreas in 242
  - percutaneous endoscopic gastrostomy in 194
  - phimosis with topical steroid in (*Aust. N.Z. J. Surg.* 1994; **64**, 327; *Corrig.*) 698
  - primary neonatal Duhamel procedure using the ENDO GIA stapler (Surg. Technique) 120
  - renal transplantation in 637
  - surgical practice of hypospadias in 647
- pain
- following laparoscopic cholecystectomy 466
  - introduction of patient-controlled analgesia to a rural hospital 588
  - recent advances in the management of (CME) 674
- pancreas, transected; management of in children 242
- pancreatitis; abdominal surgery in HIV/AIDS patients with 320
- papillary thyroid carcinoma; incidence and management of in thyroglossal duct cysts 717
- paraduodenal hernia (Case Report) 64
- parathyroid adenoma; double presentation of (Case Report) 292
- parathyroid carcinoma; inactivation of retinoblastoma gene in malignant 714
- parathyroid gland; molecular genetics of (Review) 77
- pectoralis major; rupture of (Case Report) 694
- pelvic lymph nodes; indications for dissection of 233
- peptic ulcer
- disease, *Helicobacter pylori* in (Editorial) 377
  - duodenostomy for (Surg. Technique) 345
- percutaneous endoscopic gastrostomy; technique and complications of 194
- perforation; management of following endoscopic sphincterotomy (Comment) 284
- perilunate; dislocation of the dorsal transscaphoid through an isolated scaphoid non-union (Case Report) 60
- peritoneal lavage
- assessment of blunt trauma (Pers. View) 75
  - combination technique for (Surg. Technique) 604
- pharmacology; recent advances in pain management (CME) 674
- phimosis in childhood with treatment with topical steroid (Comment) 57, (*Aust. N.Z. J. Surg.* 1994; **64**, 327; *Corrig.*) 698
- phlegmonous enterocolitis; rare form of inflammatory bowel disease (Case Report) 763
- physiology; recent advances in pain management (CME) 674
- pilonidal disease; abscesses 561
- pilonidal sinus; management objectives of (Pers. View) 558
- pituitary tumour; lymphocytic hypophysitis (Case Report) 538
- pleural effusion; management of, by video assisted thoracoscopic surgery 308
- polytetrafluoroethylene; treatment for vesico-ureteric reflux 642
- popliteal aneurysm, false; after femoral embolectomy (Case Report) 362
- popliteal vein aneurysm; source of pulmonary embolus (Case Report) 544
- praziquantel; treatment of schistosomiasis (Case Report) 541
- pre-sacral nerve plexus; supply to the posterior plane of rectal dissection 48
- pregnancy
- complicated by acute appendicitis 799

- success rate following reversed vasectomy 20  
 proctocolectomy; improving clinical function after (Surg. Research) 881  
 prognosis; breast cancer (Pers. View) 630  
 prolactin; lymphocytic hypophysitis (Case Report) 538  
 prostate cancer; laparoscopic pelvic lymph node dissection in 233  
 prostate specific antigen; follow up of carcinoma of the prostate 658  
 prostate  
   benign hyperplasia of and effect of finasteride on 35  
   transurethral laser ablation in anticoagulant treated patients with benign hyperplasia of 40  
 prostatic hyperplasia; effect of finasteride on (Comment) 360  
 prostatic hypertrophy; transurethral laser ablation following treatment with anticoagulants 40  
 prosthesis; changes in practice and knowledge in orthopaedic surgery (CME) 822  
 psoas abscess  
   diagnosis and treatment of (Comment) 135  
   following ileo-anal pouch surgery (Case Report) 365  
 pulmonary embolus; popliteal vein aneurysm and (Case Report) 544

## R

- radionuclide imaging; in the multiply injured patient 390  
 recombinant growth hormone on nitrogen balance in malnourished patients (Surg. Research) 109  
 rectal carcinoid; bronchospasm during resection of (Case Report) 450  
 rectal examination for fissure *in ano* 107  
 rectal necrosis; following anterior resection of the rectum (Case Report) 614  
 rectal sensory loss; symptom of obstructed defecation, the pathophysiology and management of 87  
 recto-sigmoid cancer; Hartmann's operation for the management of 98, (Corrig.) 550  
 rectocele; symptom of obstructed defecation, the pathophysiology and management of 87  
 rectum  
   bleeding; presenting in retroperitoneal malignant fibrous histiocytoma (Case Report) 68  
   cancer  
     detection of p53 and the recurrence of (Surg. Research) 740  
     postoperative adjuvant chemoradiation for 732  
     nerve supply to the posterior plane of 48  
     physiological findings in Singapore of solitary ulcer syndrome of the 93  
 renal adenocarcinoma; recent changes in (CME) 350, (Corrig.) 626  
 renal agenesis; hernia uterus inguinale associated with (Case Report) 688  
 renal allograft; effect of ureteric stenting on 499  
 renal transplant; dermatofibrosarcoma protuberans in (Case Report) 900  
 renal calculi; caused by *Corynebacterium* group D2 (Case Report) 294  
 renal cell carcinoma; synchronous contralateral adrenal metastasis and (Case Report) 540  
 renal function; effect of clamping and declamping on (Surg. Research) 201  
 renal oncocytoma; implications of management (Case Report) 216  
 renal osteogenic sarcoma (Case Report) 622  
 renal transplant  
   complicated by acute sciatic neuropathy (Case Report) 290  
   in paediatrics 637  
   ureteric complications following 654  
 resection  
   anastomosis of colonic cancer and 728  
   posterior intrahepatic approach to the liver 316  
   primary malignant fibrosarcoma (Case Report) 66  
   rectum; rectal necrosis following (Case Report) 614  
   treatment for gall-bladder cancer 724  
 retinoblastoma gene; inactivation of, in malignant parathyroid growths 714  
 retroperitoneal schwannoma 197  
 retroperitoneum; site of malignant fibrous histiocytoma (Case Report) 68  
 road traffic accidents; the Royal Australasian College of Surgeons and trauma care (Pers. View) 379

- Royal Australasian College of Surgeons  
 objective structured clinical assessment (Editorial) 299  
 trauma care and (Pers. View) 379

## S

- Salmonella typhi*; surgical presentation of hepatobiliary disease due to (Case Report) 898  
 sarcoma, primary osteogenic; of the kidney (Case Report) 622  
 scaphoid; isolated non-union followed by dorsal transscaphoid perilunate (Case Report) 60  
 schistosomiasis; fistula-in-ano and (Case Report) 541  
 schwannoma of the retroperitoneum 197  
 sciatic artery aneurysm; pulsatile gluteal mass due to (Case Report) 907  
 sciatic neuropathy involving renal transplantation (Case Report) 290  
 scintigraphy; in patients undergoing elective non-cardiac surgery 780  
 Scott, Walter (Surg. History) 442  
 scrotum; exploration of, for testicular torsion 645  
 semen analysis in reversed vasectomy 20  
 shoulder; distal clavicular excision 262  
 sigmoid volvulus; extraperitonealization for 496  
 sigmoidoscopy *see* flexible sigmoidoscopy  
 sinus  
   chronic formation after laparoscopic cholecystectomy (Case Report) 361  
   single stage excision of preauricular 254  
 sinusitis; indication for Caldwell-Luc operation 582  
 skin grafts; epithelialization kinetics (Surg. Research) 600  
 small bowel  
   colon and rectal department experience of Crohn's disease 570  
   incidence and recurrence of Crohn's disease in Australia 564  
 small bowel obstruction  
   obturation of the small bowel as cause of (Case Report) 902  
   as a result of activated charcoal treatment (Case Report) 288  
 sphincterotomy; for anal fissure 576  
 spine; application of drugs in region of the (CME) 51  
 spleen; rupture by infectious mononucleosis 247  
 splenectomy  
   bleeding gastric varices, gastric devascularization and 804  
   by laparoscopy, using lateral position (Surg. Technique) 746  
   by laparoscopy (Surg. Technique) 743  
   in infectious mononucleosis 247  
*Staphylococcus epidermidis*; vascular graft in sheep model 503  
 statistics  
   comparing means  
     by computer-intensive tests (Surg. Research) 812  
     under normal distribution theory (Surg. Research) 267  
 stenosis in anal stricture following haemorrhoidectomy 101  
 stenosis; carotid artery 160  
 steroid, topical; treatment of childhood phimosis (Comment) 57  
   (Aust. N.Z. J. Surg. 1994; 64, 327; Corrig.) 698  
 stoma, abdominex; complications of 808  
 stomach, carcinoma; synchronous liver metastases and 719  
 subclavian artery; aortic arch and (Case Report) 690  
 subglottic stenosis in paediatrics 650  
 suction drain; pain reduction following laparoscopic cholecystectomy 466  
 suppositories, loperamide; improving clinical function after restorative proctocolectomy (Surg. Research) 881  
 surgery  
   arterial (Editorial) 149  
   divisions in (Pers. View) 463  
   surgical flaps; in the treatment of malignant melanoma 870  
   surgical gloves; comparative study of, in elective orthopaedic surgery 406  
   surgical skills; formal teaching of (Surg. Education) 607  
   synchronous contralateral adrenal metastasis; renal cell carcinoma and (Case Report) 540

## T

- t*-test; issues in biomedical statistics (Surg. Research) 267  
 t-tube; drainage of 189  
 Tasmania; carotid surgery in 480

- <sup>99mTc</sup>Technetium labelled leucocyte scanning; effect of, on  
 appendectomy 403  
 temporal bone; verrucous carcinoma of (Case Report) 214  
 testis; torsion of the 645  
 thoracic surgery; video-assisted thoracoscopic lobectomy (Surg.  
 Technique) 438  
 thoracoabdominal injuries; by arrows 394  
 thoracoscopy; management of pleural effusions by 308  
 thoracotomy; complications of 182  
 thrombectomy; acute deep venous thrombosis (Pers. View) 773  
 thrombophlebitis; heparin administration via indwelling subcutaneous  
 teflon cannula 793  
 thrombosis; risk factors in central venous catheter-related type 796  
 thyroid carcinoma, papillary; incidence and management of in  
 thyroglossal duct cysts 717  
 thyroglossal cyst; papillary thyroid carcinoma in 717  
 thyroid gland; molecular genetics of (Review) 77  
 tibial shortening; congenital talipes equinovarus and 409  
 tissue loss; transmetatarsal amputation in the aged patient for 339  
 transfusion; effect on patient survival after resection of colorectal  
 cancer 592  
 transplantation  
 graft survival in congenital obstruction of the posterior urethra 27  
 kidney; dermatofibrosarcoma protuberans in (Case Report) 900  
 organ rejection in rat renal allografts (Surg. Research) 114  
 renal; acute sciatic neuropathy complicating (Case Report) 290  
 venous allografts in digestive surgery 579  
 trauma  
 abdomen; intestinal injury from 857  
 blunt abdominal, assessment of (Pers. View) 75  
 hypothermia and 80, 613 (Comment)  
 liver; risk factors for mortality and morbidity in Tasmania 861  
 motor vehicle; prevalence of drug and alcohol abuse in 853  
 penetrating injuries of the axillary artery 327  
 thoracoabdominal injuries with arrows 394  
 ureter; following major colorectal resection (Case Report) 137  
 trauma pattern; from major trauma in Victoria 848  
 trauma committees; the Royal Australasian College of Surgeons and  
 (Pers. View) 379  
 treatment options for the morbidly obese patient (Editorial) 2  
 tribal fighting; thoracoabdominal injuries with arrows 394  
 tumour  
 Frantz's type of the pancreas 237  
 heart; primary malignant (Case Report) 66  
 renal oncocytoma (Case Report) 216  
 typhoid; surgical presentation of hepatobiliary disease due to  
*Salmonella typhi* (Case Report) 898

## U

- ulcer  
 healing of, in the lower limbs 173  
 rectal, physiological findings in Singapore of 93  
 island flap repair of 412  
 ultrasound/doppler examination; for varicose veins in a provincial  
 hospital 787  
 ureter carcinosarcoma presenting as biliary colic (Case Report) 63  
 ureter; ischaemic injury of, following major colorectal surgery (Case  
 Report) 137  
 ureteric stenting; the effect of, on the function and morphology of  
 long term rat renal allografts 499  
 urethral catheterization; double lumen suprapubic urodynamic type  
 (Surg. Technique) 672  
 urethral fistula; hypospadias and 647  
 urethral obstruction; renal allograft survival in 27

- urinary flow rate; effect of finasteride on 35, (Comment) 360  
 urinary tract; renal calculi caused by *Corynebacterium* group D2 (Case  
 Report) 294  
 urine; diversion of, into a defunctioned segment of the distal colon  
 (Surg. Research) 667  
 urological complications; following renal transplantation 654  
 urology  
 acceptance of computer assisted learning for (Surg. Education) 610  
 recent changes in 350 (CME), 626 (Corrig.)  
 training of  
 recent fellows and current trainees (Surg. Education) 278  
 workshop report (Surg. Education) 273  
 trend in outpatient surgery 31  
 urothelial cancer; recent changes in 350 (CME), 626 (Corrig.)

## V

- varicose veins; doppler/ultrasound examination of 787  
 vascular injury; laparoscopy and (Case Report) 533  
 vascular prosthesis; sheep model, development of *Staphylococcus*  
*epidermidis* 503  
 vascular surgery  
 advances in (CME) 205  
 divisions in (Pers. View) 463  
 trends in 166  
 vasectomy reversal in military personnel 20  
 VATS *see* video assisted thoracoscopic surgery  
 venous aneurysm; unusual source of pulmonary embolus (Case  
 Report) 544  
 venous disease, in lower limbs; classification and grading of  
 (Editorial) 769  
 venous thrombosis  
 duplex ultrasound of deep type 784  
 modern day treatment of acute deep type (Pers. View) 773  
 risk factors in central catheter-related type 796  
 Veress, vs Hasson; abdominal insufflation for laparoscopy  
 (Editorial) 462  
 verrucous carcinoma of the temporal bone (Case Report) 214  
 vesico-ureteric reflux; endoscopic injection of polytef paste for 642  
 vesicocolic anastomosis of colonic mucosa in a rat model (Surg.  
 Research) 667  
 video assisted method  
 surgery, of pulmonary metastatic osteosarcoma 737  
 thoracoscopic lobectomy (Surg. Technique) 438  
 thoracoscopic surgery; for the management of pleural  
 effusions 308  
 videoscopic trainer for operative laparoscopic surgery (Surg.  
 Technique) 820

## W

- weight loss; vertical banded gastroplasty for morbid obesity 3  
 Wood Jones, Frederick  
 academic medals and those they honoured (Surg. History) 122  
 coral and atolls (Surg. History) 749  
 wound adhesion; laparoscopy vs laparotomy (Surg. Research) 342  
 wound healing; epithelialization kinetics in human skin (Surg.  
 Research) 600  
 wrist crease incision and nerve injury in carpal tunnel release  
 (Comment) 359

## X

- X-ray; in the multiply injured patient 390
